

## An aerial photograph of a suburban area, likely in the Washington D.C. region, showing a dense network of roads and residential developments. A pink circle highlights a specific area in the upper right quadrant, which appears to be a residential neighborhood with several large, light-colored buildings or complexes. The surrounding area includes green fields, forests, and other residential developments. Major roads like I-495 and I-270 are visible, along with various local streets and landmarks such as the National Mall and the Lincoln Memorial.
